- Advice on return on investment.
- Finders service, contact and negotiation
- Registration and Insurance
- Find the best vehicle on the market
- Own a vehicle for several year
- Make use of storage and delivery options throughout Europe.

START OF PROGRAM

How do we start our journey into the European RV world.

Task

Determining Budget
Talking about different RV's and Set-ups, Return on investment and price quality relationship.

Goal 1

Finding The RV set-up most suitable for you.

Goal 2

Determine best quality brand for set-up and investment budget.

HOME IS WHERE WE PARK IT

WHAT WILL HARRO DO

Besides all the hours and costs for drivers and facilitating, here is what you can expect from Harro.

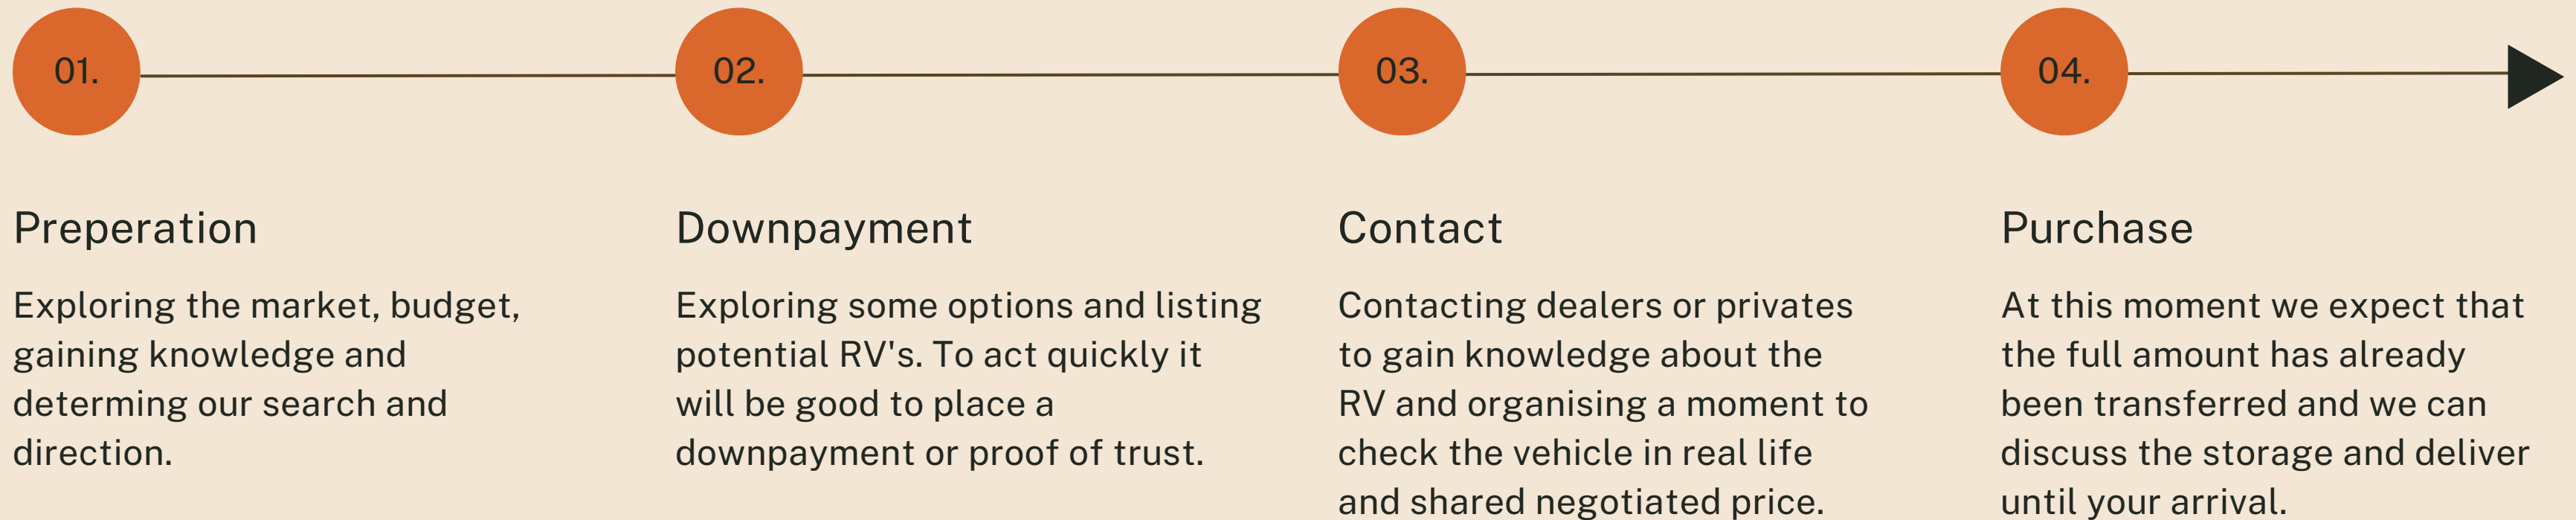

What to expect.

- Several searches for the right vehicles on markets in both Germany, The Netherlands and often Belgium and France.
 - Offering his experience to offer an honest opinion.
 - Multiple investment options to choose from.
 - Contact dealers, find trustworthy listings and advise the right price.
 - What to expect from your vehicle, possible maintenance or potential issues.
- Harro will organise all administration such as getting license plates, registration, insurance, road tax and the payment of their fees.
 - Harro will help you along the way and will make sure the vehicle is at his storage facility all ready for you to arrive or come back for multiple trips throughout Europe.

PROGRAM TIMELINE

This is a rough sketch of our program.

PROGRAM TIMELINE

05.

Planning your Arrival

At this point we will discuss your arrival, to make sure the vehicle is ready for your first journey the moment you arrive.

06.

Registration & Insurance

We will register the vehicle on our companies name, by contract you are the legal owner and liable for the vehicle. Fees are paid yearly.

07.

Airport Pickup

The first time you arrive can be anywhere in Europe, the easiest would be in Amsterdam where we offer an airport pickup.

08.

Explanation

We will explain all the ins and outs of your vehicle so you can start your first trip with comfort and ease! Enjoy your travels!

This is a rough sketch of our program.

SHARED NEGOTIATION

No hidden differences in buying and selling price. We will benefit both to get the best deal possible!

Negotiation

To make negotiating into a sport without being rude ofcourse we hand a 50% win, reason one is that we will need this to make the program cost efficient after paying all taxes and expenses, but also for the transparency of our shared interests.

Sharing is Caring

No hidden costs and no sneaky price differences between your price and ours, we are fully transparent and make usre we both benefit. The price that we negotiate off will be shared 50% so when we negotiate 2k off we will both benefit 1k there for we make sure that we already found the best deal before entering a negotiation.

OWNING A VEHICLE

Now you own a vehicle in Europe feel free to make use of our services.

Multiple trips

We offer help and service for storage, maintenance, repairs and even relocations between your trips. Why not start your next trip in sunny Spain?!

Personal manager

Harro's team will be a lifeline for when you have questions or just need some advice.

Keep your vehicle up to date

While you are in your home country you can make sure your vehicle is ready for your next arrival.

TERMS & CONDITIONS

Mediation contract between you (buyer) and Harro (mediator)

Contract

Withing the mediation of the purchase of a motorhome for [signed] referred to as buyer and Harmen Mulder (referred to as Mediator) parties agree on the following terms.

1)Return Policy for complications before the deal/purchase of the vehicle.

The buyer will transfer at least 90% of the costs before the mediator will agree on the purchase with the seller. The amount transferred minus the costs and fees of the mediator will return to the buyer when there is no deal or there are complications independently of the buyer.

2)The mediator will communicate with the seller, he has the given authority to negotiate in the name of the buyer and make a deal and purchase to the limits and ideas that was previously discussed by written conversation on e-mail or chat.

3)mediator will not be held responsible for a warrantee of the vehicle as he is only authorized to purchase on behalf of the buyer. Any failures of the vehicles that are not foreseen and not caused by the mediator will be in the risk of the buyer. Any exterior damage or failures and doubts will be discussed before the purchase of the vehicle to the limits set by a written conversation on either chat or email.

After the purchase between seller and mediator took place the buyer is the legal owner and liable for the vehicle. Roadtax, insurance will be paid with a 12 months advance. The mediator will charge a yearly registration fee for the registration of € 1300,- Registration will be paid yearly. Year will be paid upfront. When a customer is not responding nor paying bills while travelling for over 4 months with several payments outstanding the car will be registered as stolen. Unless the customer has communicated and/or is in some kind of distress in which he was unable to keep contact, registration and insurance is able to be put on hold to save costs and risk by the company. The registration program can be ended with at least a 6 months notice. The buyer will be held responsible for fines and has an own risk of € 1000,- per damage claim. A € 1000,- bond will be asked to secure the advance payments of speeding and parking fines or other costs that are caused by the buyer.
